

Dear Sir or Madam,

What an exciting year for Long Beach Youth Baseball!

This year the Boys of Summer from Whaley Park will be celebrating all the successes for the past 60+ years including the World Series Champions of 2012, 2008, 1965 and 1959! This is an exciting year marking several milestones in youth baseball for Long Beach and the surrounding areas. It is worth mentioning that this year it appears to be no different! It looks like Long Beach Pony has another fabulous year of returning talent, coupled with an exciting group of incoming players to represent our great city and the surrounding area!

As a local baseball league we are able to provide this great program to our community, the teams, and the families of our players, because of the generous support of the citizens and businesses in our area and beyond. Several players that participated at Long Beach Pony have been drafted by Major League teams and many are on current Major League rosters. Our objective at Long Beach Pony is for our athletes to develop outstanding social skills, build self-confidence and create memories that will last a lifetime, while playing the great game of baseball.

It is time for us to reach out and ask for your support by becoming a Sponsor/Partner for this exciting and memorable 2016 baseball season!
