

Long Beach Century Club Member Information Packet

“Over 500 Members and Growing”

Who is the Century Club?

The Long Beach Century Club consists of over 500 men and women who care deeply about assisting youth who are involved in sports in Long Beach. The mission since 1957 has been to support these athletes and teams when they require financial assistance to enhance program growth and the opportunity to compete where they otherwise could not do so. This support has allowed individuals and teams to compete in all corners of the globe, often returning to Long Beach with national and world championships. Every local sport has benefited from Century Club funds. Continuous support is also given to athletes participating in the Special Olympics. Over the years our membership has contributed approximately \$2.5 million to support local programs.

Governance

The Century Club operates under member approved By-Laws. These by-laws spell out how we are governed, how Board members are elected, defines their duties, sets the dues structure, defines financial parameters, and much more. The Board meets regularly to conduct the business of the non-profit. A copy of the current by-laws is included at the end of this document.

What Members Receive

Once individuals become new members, the membership chair adds them to our master roster. All new members receive an official name badge which is distributed and worn during major events and an online password protected membership directory with members name, email and phone, which is updated on a regular basis. To protect everyone's right to privacy, the information in the

membership directory is intended for official club business only and not for solicitation or sharing with others who are not members of the club.

Meetings

Meetings are held every Tuesday evening at 6:00 p.m. (fun starts at 5 p.m.) at The Boathouse on the Bay, located at 190 N. Marina Drive, Long Beach, California 90803. The meeting consists of presentations from professional sports figures, athletic directors from CSULB, LBCC, and all local high schools. In addition, regular presentations are made by the various coaches and team members from these fine institutions. The evenings are relaxed and informal and the Boathouse provides free appetizers while each member individually purchases beverages of choice. At the end of the meeting, a raffle is held, consisting of items that members voluntarily bring. These raffles are a major way funds are raised so those attending are encouraged to bring an item or two to help the cause.

Social meetings are held the last Tuesday of each month at various restaurants around Long Beach. The purpose of these social meetings is to support our local community and to introduce potential members to the Century Club. All are welcome to attend and to bring friends because these casual get-togethers are always fun. It is also enjoyable to go to different restaurants in our community who support the Century Club during some of our major events throughout the year. On a quarterly basis the club participates in some type of athletic competition (softball, bowling, volleyball, billiards, etc.) to exhibit whatever remaining skills we possess. The events are tailored so everyone can participate to whatever level they are capable. Join us!

How Do You Find Out What is Happening?

Weekly emails are sent to the membership regarding all activities. Members are reminded to let the Membership Chair or President know if they are not receiving

these emails. Often this is because individuals have changed their email address. Please update your current information to stay on top of all activities. You may follow Century Club at www.lbcenturyclub.org that contains a calendar of events, www.facebook.com/LongBeachCenturyClub and @lbcenturyclub on Instagram.

Major Annual Events

The club has the following traditional events:

Annual Sports Banquet –Each year the Century Club holds its annual sports banquet to induct individuals into the prestigious Hall of Fame and honor local citizens who support sports throughout the Long Beach area. Also, along with honoring a coach-of-the-year, the club honors the top boy and girl high school athlete from every sport that is offered within the Long Beach Unified School District. The top male and female athletes from Long Beach State and Long Beach City College are also honored.

Middle School Banquet – During the month of June another sports banquet is held to honor the winning from each sport offered through the Long Beach Unified School District’s middle schools sports program. This event requires many members to volunteer since nearly 700 student-athletes and parents attend each year. A team plaque is presented to each student-athlete as well as the coach and the principal. This is a significant sponsorship since it is so difficult for the schools to fund this type of activity. Also, this “feeder system” has proven to be the “stepping stone” for most of our local high school teams.

Mayor’s Trophy Golf Tournament – The largest fundraiser for the Club is the annual golf tournament. The tournament is held each year in conjunction with the Mayor of Long Beach, Dr. Robert Garcia. There are opportunities to play in the

tournament, volunteer working the course, donating silent and live auctions items, as well as supporting the tournament in a number of other ways.

Long Beach Marathon – Each year the club supports the Long Beach Marathon by volunteering at both a water station and working at the Beer Garden to pour beer for all the runners who finish the race. This is not only fun but raises a great deal of money through the club's efforts.

Member Expectations

The Century Club is a voluntary organization and everyone participates to the degree they can. Like most community groups, it is hoped that every member meets some minimum level of involvement. This involvement includes

participation or volunteering at major events, recruiting others to the club, and making donations of cash or in-kind services throughout the year to the extent one can. The more members participate, the more camaraderie exists for the club, and ultimately the mission of supporting the youth of Long Beach through sport can be fulfilled.

Club Attire

The attire for most events is very casual. Some members come directly from work for the weekly meetings so there is a variety of attire. For the annual Sports Banquet, dress is more formal, which includes suits, coats/ties, dresses and more formal slacks/tops.

Many members have the Century Club logo embroidered on their own shirts or caps, which can be accomplished for a very reasonable price (around \$15) at Name Your Game, located at 3106 E. Willow in Signal Hill, 562-595-6406. Just ask for the owner and fellow member Tom Waterman, who has the appropriate Century Club logos on file.

General Information About Century Club Finances

Income is derived from memberships, raffles, golf tournament, individual and corporate donations. As a 501(c)(3) charitable organization, financial records are kept and taxes are filed with the Internal Revenue Service. For individual tax purposes, the Century Club is a tax-exempt non-profit organization, approved by the IRS. Tax ID #33-0103795. The Board of Directors approves all spending and monitors the financial stability of the club. Funds are never spent for personal expenses or on members to assure all donations are directed at activities that support local programs.

Throughout the year local groups submit funding requests to be considered by the Board of Directors. Aside from those direct contributions, the funds raised throughout the year support the costs associated with inviting athletes, coaches and honorees to our banquets. Based on available funds, contributions to Long Beach State, Long Beach City College, and all our local high schools may be made in June at the end of the fiscal year to enhance their athletic programs.

Corporate/Major Sponsors/Estate Planning

Over the years support has been provided by several corporations and companies. This support includes direct cash contributions as well as in-kind

services for our events and activities. One of the current goals for the club is to expand these relationships to seek major donations. If you know of a corporation you feel would become involved, please let the current President know how they can be contacted so they can learn about our mission and how they can help. Our 501(c)(3) status will allow these groups to take full advantage of the tax laws. The Century Club has also been the beneficiary of long-range estate planning. These good people have significantly helped us meet our mission because of their personal generosity and connection with the Century Club over the years. A formalized program for estate planning is being initiated soon to encourage participation.

Costs Associated With Being a Member

Since the Century Club is a voluntary organization, members participate financially to the extent they can. Membership dues are \$100 annually (\$50 for middle and high school coaches/administrators) and are mandatory. Optional current costs include:

- Purchasing raffle tickets during weekly meetings (\$5 each)
- Attending the annual sports banquet (\$50)
- Sponsoring an attending athlete for the sports banquet (\$50)
- Sponsoring a trophy for our award recipients (\$50-\$150)
- Purchase advertising space in the sports banquet programs (\$125-\$250)
- Playing in our annual golf tournament. Cost varies based on course and current sponsorships (\$175-\$500 and up)
- Purchasing trophies, food items, utensils, etc., for the middle school banquet (costs vary)
- Making donations (large and small welcomed)

Welcoming New Ideas

The Board of Directors encourages both involvement and input from its membership. What ideas do you have? What can you “bring to the table” to advance the mission of the Century Club? What would you like to see happen that isn’t happening now? What resources and skills do you have that you can offer? Please contact the President of the Club, your Directors-at-Large, or any other board member to share your thoughts. We are a proud organization that has, based on its good work, become known for its motto: ***“First in Athletics”*** Let’s keep the tradition alive and active.
